Fee & Payment Options

At **openEd Labs**, we aim to make instructor-led learning accessible while providing learners with the flexibility to choose a payment option that best suits their learning needs.

The program consists of **12 instructor-led sessions**. Learners may choose one of the following payment plans for their selected learning program:

Option 1 — Full Program Enrollment One-Time Payment	Option 2 — Pay-As-You-Learn Session-Based Payment		
₹9,500 INR US\$99 <table border="1" data-bbox="203 1020 799 1115"> <tr> <td>12 Sessions Included</td><td>Save ₹2,500 / US\$19.80</td></tr> </table> The ₹9,500 (US\$99) full program fee covers all 12 scheduled sessions of the program. Pay the complete program fee upfront and enroll for the full learning program. Recommended for learners who: • Plan to complete the full 12-session program • Prefer a single, one-time payment • Want a straightforward enrollment experience	12 Sessions Included	Save ₹2,500 / US\$19.80	₹1,000 INR US\$9.90 per session Instead of paying the complete program fee upfront, learners may make payment after each completed session. For all 12 sessions, the total session-based cost would be ₹12,000 (US\$118.80). Recommended for learners who: • Prefer flexible payments • Want to progress session by session • Would rather spread payments across the learning period
12 Sessions Included	Save ₹2,500 / US\$19.80		

The session-based option costs **₹12,000 for 12 sessions** (₹1,000 × 12). By choosing Full Program Enrollment, learners pay **₹9,500 and save ₹2,500**.
